## Vlastiti bazen na dohvat ruke

Europool je firma koja se bavi izvozom radova, prodajom, transportom i montažom bazena za plivanje te bazenskih kupola. Jedina je firma u Poljskoj koja nudi transport svojih proizvoda, montiranje i kompletno završavanje bazena „ključ u ruke“. Cilj naše firme je uslužiti klijenta brzo i u potpunosti. Baziramo se na dobivenom iskustvu na poljskom i inozemnom tržištu. Gradnja bazena od strane Europoola obuhvaća razne varijante, međuostalom one manje zahtjevne i koje iziskuju manje troškove, takozvane poliesterske i liner bazene; ali također i one skuplje i zahtjevnije armirano-betonske bazene. Ugradnja bazena realiziranih od strane europoola daje garanciju profesionalizma i najbolje kvalitete. Obavljamo sve od početka, konzultirajući svaki detalj investicije sa našim klijentima. Stalo nam je do vašeg mišljenja i zadovoljstva kod završnog efekta. U sklopu paketa usluga, nudimo potpuno opremanje bazena koje dopušta njegovo ispravno korištenje. Garantiramo korisne i konkurentne cijene na tržištu. Za one koji već posjeduju vanjski bazen, postoji mogućnost korištenja usluge servisa, koja se odnosi na osiguravanje bazena poslije završene sezone i pokretanja istog pred novom ljetnom sezonom. Koristeći naš servis imate sigurnost pravilnog funkcioniranja bazena.
